I have many of the books by the author and find each one to be unique. While these designs depict Valentine's Day and share the typical hearts and flowers, the way they are drawn raises them to a new level. The PDF link at the end of the book allows for downloading and printing ones favorites. I highly recommend this book to adult colonists for celebrating the universal theme of love.0 of 0 people found the following review helpful. Great fun for all agesBy OdinsMomA beautiful assortment for all coloring skill levels. Pictures from very romantic to funny with everything in between.0 of 0 people found the following review helpful. Bought the kindle version and it was great, the link at the back of the book ...By bnwtrBought the kindle version and it was great, the link at the back of the book worked and I was able to print the pages at home. Wonderful illustrations. I printed off 5 copies of the same page and the girls didn't fight over them!

*** 30 UNIQUE ILLUSTRATIONS DESIGNED BY 9 TALENTED ARTISTS *** Relax and step away from everyday life stress! Coloring books arenrsquo;t just for kids anymore. Nowadays our lives become busier and more complicated. Technology escalation moves us through waves of emails and social networksrsquo; notifications. This constant stimulation of expectations, obligations and stress has left us burnt out and distanced from the joys of the present. Finding a moment of calm can be a challenge. Recently, coloring has been discovered a wonderful activity for anyone who wants to relax, de-stress and release mind from overwhelming thoughts.
